Our world is a forum of ever changing attitudes and opinions. History is formed by the thoughts and actions of each successive generation. Our PHYSICAL, MENTAL, SOCIAL, and SPIRITUAL growth here at Hiwassee is blended to form the attitudes and opinions we carry through life.

As we grow here at Hiwassee we must attain, and through these goals our minds open to a new understanding of our PHYSICAL, MENTAL, SOCIAL, and SPIRITUAL growth.

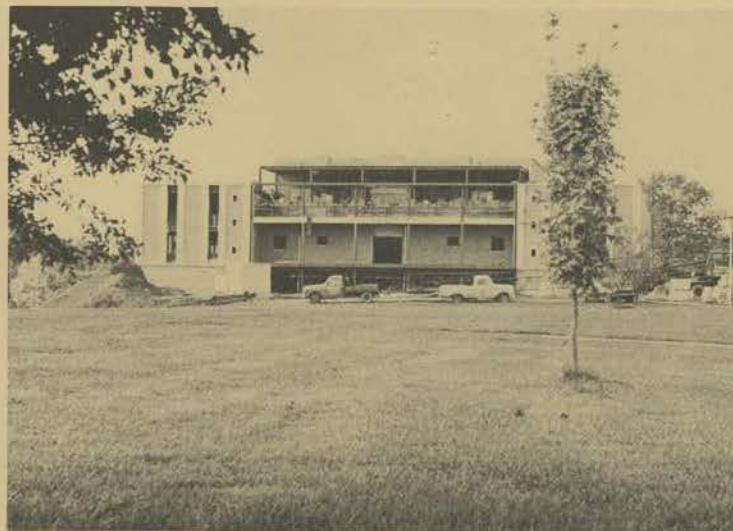

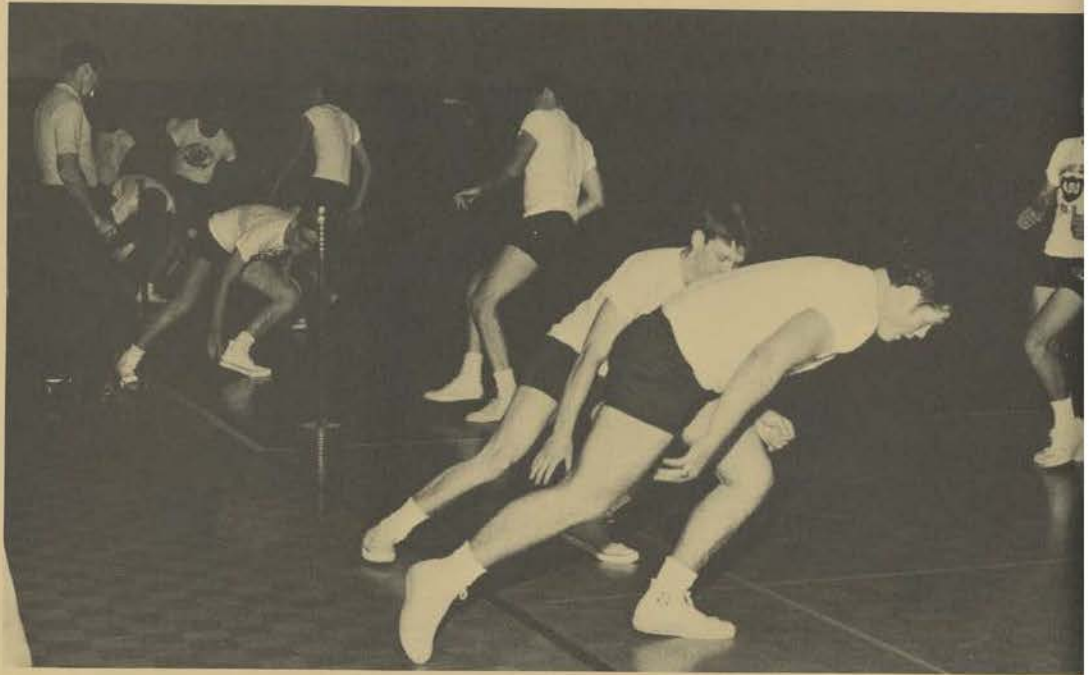

Progress

Hiwassee

Physical

Growth

As we contribute our youthful enthusiasm and ideas we begin to take part in many of the activities offered to us here at Hiwassee.

Our PHYSICAL growth is attributed to physical education classes, intramurals, participation in sports, and just plain "fun".

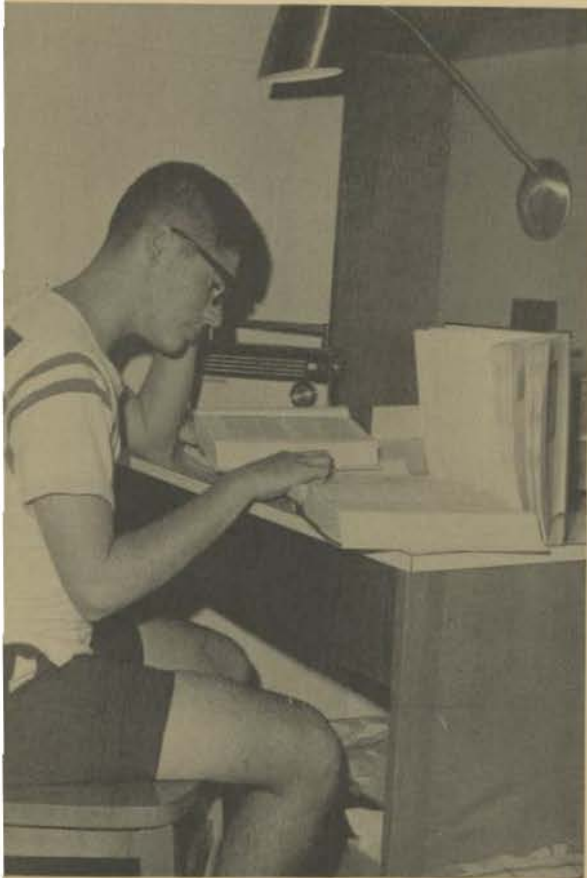

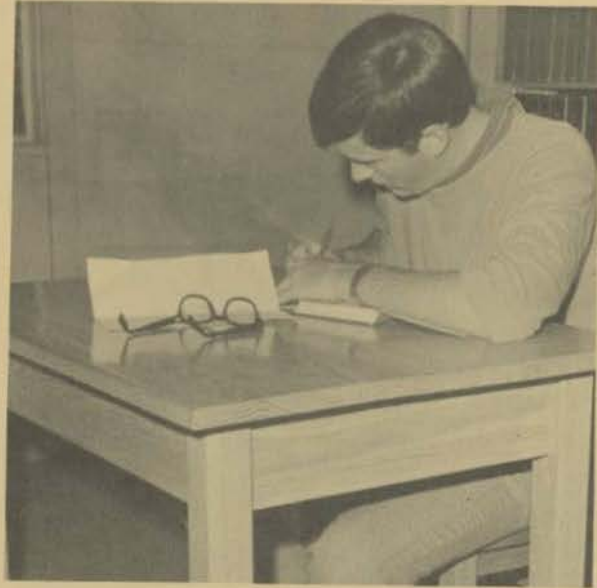

Physical exertion of our bodies leads us to a more healthy attitude toward PHYSICAL, MENTAL, SOCIAL, and SPIRITUAL growth.

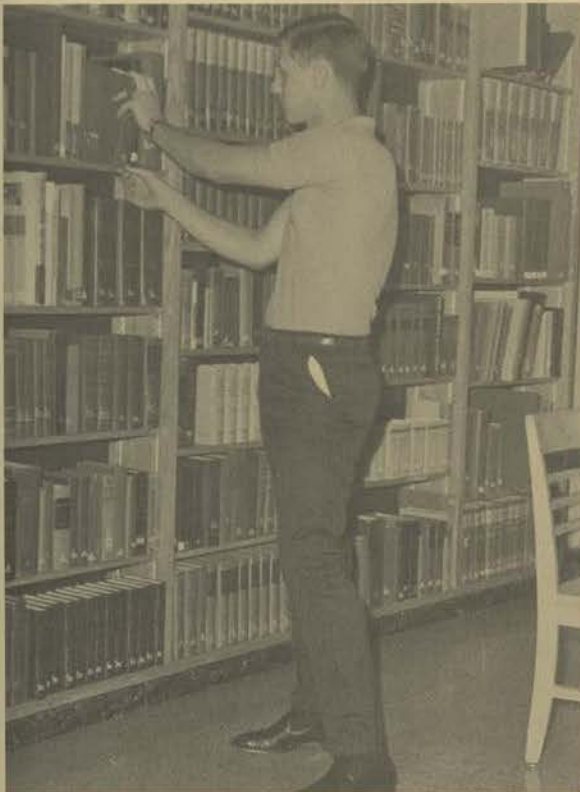

Mental

As our knowledge expands for further MENTAL growth we search to answer our many questions. This starts our lives on the road to an investigation of ourselves and the world around us.

Learning and practicing the many concepts we are striving to reach exerts our capacity for learning.

Growth

Social

Growth

A smile, a hello, and a friendly goodby, become acceptable expressions of our SOCIAL growth on Hiwassee's campus. Our friends and sometimes our enemies become more than just a face in the crowd.

As you are seen on campus, whether it be in the Student Center, the gym or even in class, people tend to appreciate your existence.

Spiritual

Besides our growth physically, mentally, and socially, we obtain an expansion of SPIRITUAL growth. We learn through our happiness and sorrows that each day we grow closer to God. Here at Hiwassee our nearness to students and faculty gives us this awareness of God's presence.

In the search of reality we turn to the intangible realm in order to seek an explanation for our existence. This brings us to the height of our growth in mind, body, and spirit.

Growth

WHAT IS HIWASSEE?

Hiwassee is large, beautiful trees
And cool country air.
Hiwassee is warm, friendly students
And Professors who care.
Hiwassee is beautifully lighted fountain
And mooing cows for an alarm.
Hiwassee is Brock Hall, New Women's, The Cottage,
Tom Black and Brunner Barn.
Hiwassee is extracurricular activities
Like a hayride or a walk.
Hiwassee is a dance on Saturday night
Or listening to an inspirational talk.
Hiwassee is many new friends
Whom we grow to love.
Hiwassee is beautiful scenery
Another of our gifts from above.
Hiwassee is head residents
Our adopted Moms and Pops.
Hiwassee is many buildings both new and old
And our team the Tigers who are really tops.
Hiwassee is having a roommate
Who is helpful and fun.
Hiwassee is extremely beautiful skies
During the setting or rising sun.
Hiwassee is studying lessons
In an effort to understand.
Hiwassee is the song of a bird
And a scampering little squirrel.
Hiwassee is girl meets boy
and boy meets girl.
Hiwassee is a touch of sadness
Then there is a smile.
Hiwassee is joyful songs, word of prayer
And a sigh of relief after a trial.
Hiwassee is unusual cafeteria food
With a personal touch.
Hiwassee is the letter in your box
That means so much.
Hiwassee is many students
From both far and near.
Hiwassee is a trip to Madisonville
Or learning a school cheer.
Hiwassee is a lot of fun and excitement
It's MENTAL, SOCIAL, AND SPIRITUAL enlightenment.
Hiwassee is all these things
But much much more--
Hiwassee is a way of life
Or the opening of a door.

Homecoming 1968

Friday, November 15
The Homecoming activities of 1968-69 began Friday with a much deserved dance.

Registration Saturday, November 16

Homecoming is much more than that time of year when the campus is visited by returning alumni. It is a time of renewing old friendships and making new acquaintances.

Pictured is Carole Perkins, a 1968 graduate.

Homecoming Floats

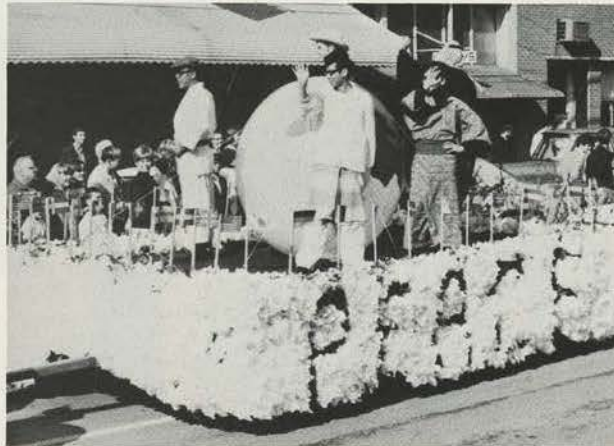

First Prize--Circle K Club

Working hard behind the scenes many students helped build floats in preparation for the Homecoming parade. It took tons of crepe paper, chicken wire, paint, napkins and time to achieve our works of beauty.

We're Tiger Fans

Saturday night was the high point of Homecoming as the Tigers and Tigerettes both gained victories. The Tigers prowled over Cleveland State 105-96. The Tigerettes victorious score was 74-25 over Georgia Baptist.

The gymnasium was literally packed as a large crowd turned out to back our boys and girls all the way to victory. Shouts of "Go Tigers" and "We want a hundred" echoed from every corner.

Sing-Out Hiwassee

Sing-Out Hiwassee is a part of the international "Up With People" movement which now involves over sixty thousand young people in the United States alone. "Up With People" began in 1965 at Mackinac Michigan, and Sing-Out Hiwassee added itself to the movement in October 1968. The goals of the Sing-Out movement are to make the world a better place in which to live by moving all men everywhere to recognize that what is really needed is a rising of our morals by living the four absolute standards--honesty, purity, unselfishness, and love. Sing-Out is the greatest challenge that has ever been offered anyone.

PROGRESS AND GROWTH

A continuous construction program at Hiwassee has been very evident. Until completed, the new construction means new walks and streets and a great deal of dust or red mud and has caused inconvenience to everyone, faculty and students alike. The following buildings have been completed since 1955: Hardwick-Johnston Library, renovation of Brunner Hall, Trotter Industrial Arts Building, Lundy Science Hall, Tom Black Hall for men, New Womens Dormitory, and Youell Physical Education Center.

Two buildings are under construction and will be completed this year. Buckner Memorial Chapel will be completed in February, 1969, at a cost of \$300,000.00. The new Liberal Arts Center with its 24 classrooms, 24 faculty offices, and large auditorium will make for more effective teaching and better cultural programs.

The faculty at Hiwassee is constantly seeking more formal training and better teaching methods. Many teachers study in the university of their choice in the summer. Their goal is to inspire students in their search for truth.

Hiwassee College enrollment has tripled in the past 13 years. This indicates that more students are able to take advantage of the new physical facilities and a well trained and dedicated faculty. The only reason these buildings and faculty exist is for the benefit of the students.

President.
